Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in this application:

Listing of claims:

- 1. (Currently amended) A funeral vehicle in the form of a sidecar having a wheeled chassis provided with a sidecar superstructure defining a covered reception area for the mortal remains of the deceased and including an access door through which the mortal remains may be inserted into and removed from said area, wherein a deck with rollers is provided within the vehicle to afford support to said mortal remains.
- 2. (Original) A vehicle according to claim 1 in which the sidecar superstructure is weatherproof.
 - 3. (Cancelled)
 - 4. (Cancelled)
- 5. (Previously presented) A vehicle according to claim 1 in which the relatively upper part of the superstructure is glazed.
- 6. (Previously presented) A vehicle according to claim 1 in which the access door is a hatchback.
- 7. (Original) A vehicle according to claim 6 in which the hatchback is provided with gas struts.
- 8. (Previously presented) A vehicle according to claim 1 in which cooling means for the reception area are provided.

Application No.: 10/518,611 Reply to Office Action of 2/9/07

Amendment Dated 5/3/07

9. (Original) A vehicle according to claim 8 in which the cooling means includes a cooling fan.

- 10. (Original) A vehicle according to claim 8 in which the cooling means includes a refrigeration system.
- 11. (Previously presented) A vehicle according to claim 1 in which illumination means are provided for the reception area.
- 12. (Previously presented) A vehicle according to claim 1 in which the top of the superstructure is provided with wreath rails.
- 13. (Previously presented) A vehicle according to claim 1 in which a compartment is provided beneath the reception area.
- 14. (Original) A vehicle according to claim 13 in which the compartment is adapted to hold a coffin.
- 15. (Currently amended) A vehicle according to claim 13 in which the empart compartment is adapted to contain funerary paraphernalia.
- 16. (Previously presented) A vehicle according to claim 1 in which the superstructure is streamlined in shape.
- 17. (Previously presented) A vehicle according to claim 1 in which the superstructure is of rectilinear form.
 - 18. (Cancelled)
- 19. (New) A vehicle according to claim 1 in which the wheels of the wheeled chassis are positioned on the outside of the lower part of the chassis.

Application No.: 10/518,611 Reply to Office Action of 2/9/07 Amendment Dated 5/3/07

20. (New) A vehicle according to claim 1 in which the rollers are aligned with the access door.
